# PROTECT THE PEOPLE WHO MATTER MOST

Be prepared with first aid for your family. St John can help you to be equipped, trained and connected.

- **First Aid Kits can help you to be prepared for life's little accidents.**  
From playground tumbles to holiday adventures, peace of mind starts with being ready.
- **First Aid Training will give you the knowledge that could save a life.**  
Choose a course tailored to toddlers and infants or general first aid skills. Gain the confidence to act when it matters most.
- **Be emergency ready with the First Responder App** — your go-to resource to help you learn and provide first aid. Find first aid guides, locations of nearby defibrillators, and more.
